

FISCAL NOTE

SB 2930 - HB 3249

January 30, 2008

SUMMARY OF BILL: Authorizes the owner of an adult establishment to appeal to a court of record within ten days when a county adult establishment board affirms the suspension, revocation, or annulment of the establishment's license. Under current law, the county is required to file suit to uphold the suspension, revocation or annulment of each license.

ESTIMATED FISCAL IMPACT:

Decrease State Expenditures – Not Significant

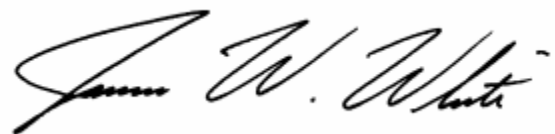

Decrease Local Gov't. Expenditures – Not Significant

Assumptions:

- Eliminating mandatory judicial review by the county will reduce the number of cases filed and will reduce costs for legal services for counties and the state court system.
- Because there will be a relatively small number of such cases, the decrease of state and local government expenditures is estimated to be not significant.
